WORKING WITH YOU

The right space shapes the perfect audience experience.

That's why we're dedicated to crafting seating that transforms these environments. **With over 40 years of global expertise, we know exactly how to make it happen.**

We take a holistic view, honing in on the finer points of design. While we love aesthetics, our focus goes beyond appearances—it's about creating design with intention and function.

Partnering with you, we're committed to designing an exceptional viewing experience that captivates audiences, no matter the setting—whether it's a **Hotel, BTR Development, Workplace, Cruise Ship or Luxury Venue Space.**

Our attention to detail, commitment, and expertise are evident in every seat we make.

This is the core of who we are.

Let's create something incredible together.

CONNECTING PEOPLE THROUGH SEATING

Ferco Seating, global market leader in public seating, places a high priority on product quality and ensures that our seating solutions meet all relevant legal and safety requirements.

To ensure our products are safe for sale worldwide, we partner with accredited testing houses to conduct thorough product testing. Our seating solutions comply with safety legislation in Europe, the Far East, the Middle East, the US, and Australia.

Ferco Seating is proud to hold ISO 9001:2015 accreditation and is committed to delivering exceptional seating solutions around the world. We adhere to international standards for materials, products, systems and services provided in every location, including:

- UK British Standards
- US ASTM International
- European Standards

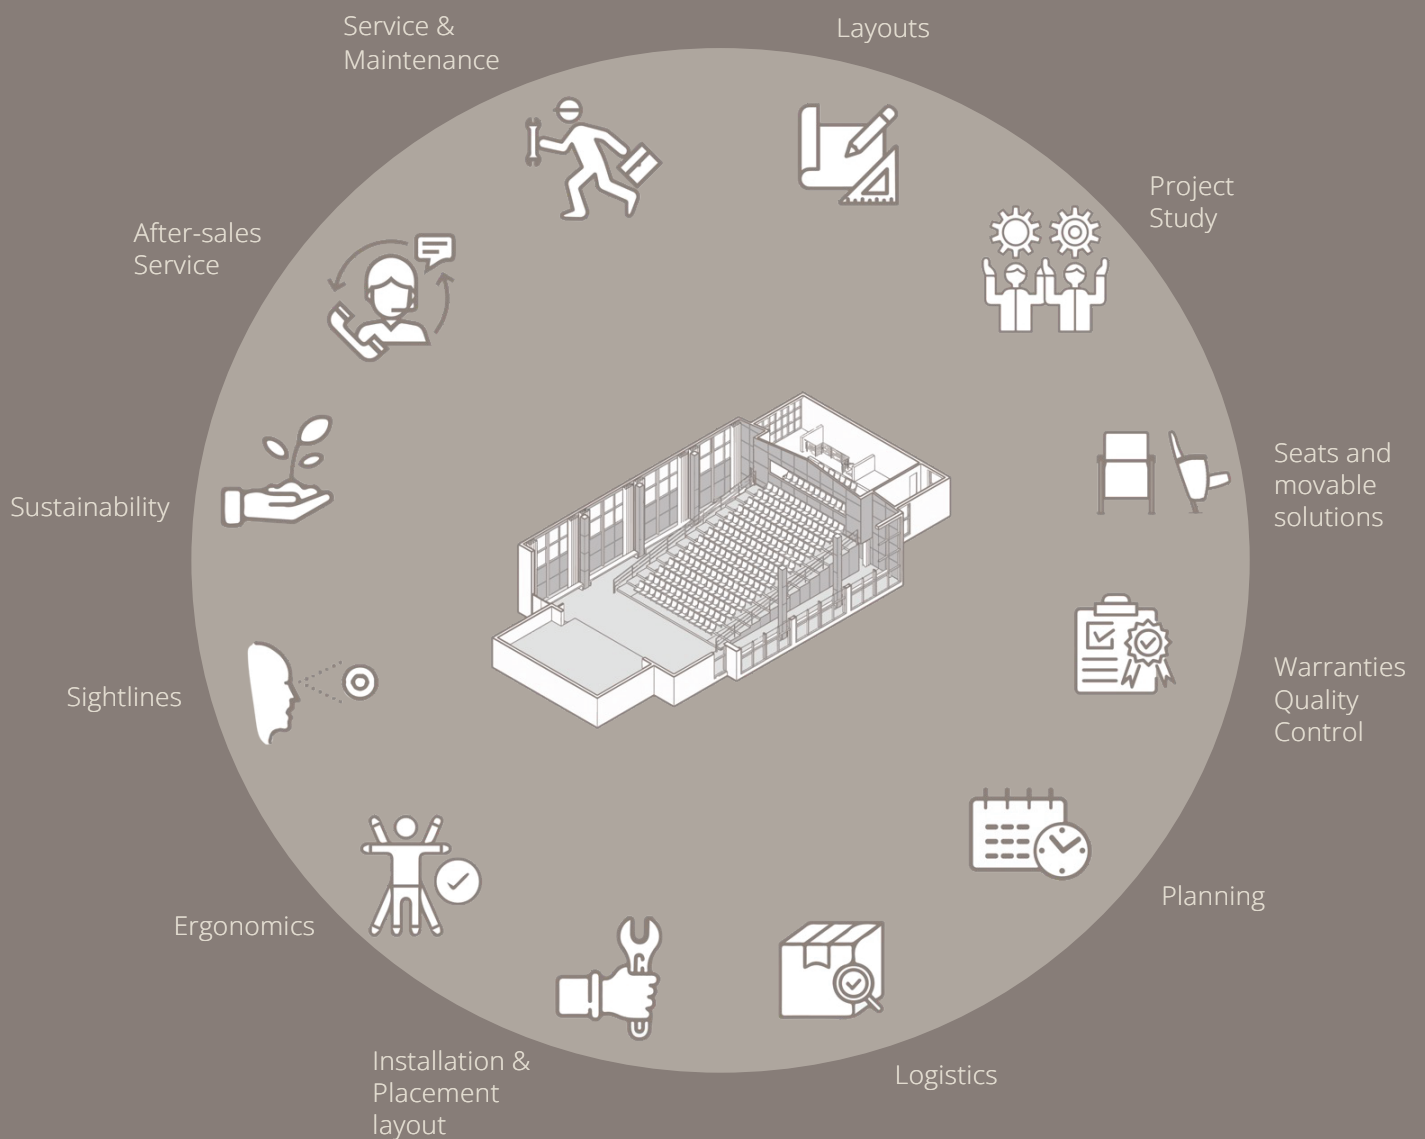

Our products undergo rigorous assessments to ensure that they meet key criteria for:

- Safety
- Stability
- Strength
- Durability
- Flammability

Ferco's seating solutions not only meet but exceed international standards.
